

Yorktown.Finale.Ride

Sunday, August 21st, 8:00 am Departure

Thank you for joining the ride! Your participation helps ensure the future of cancer research right here in Richmond at the VCU Massey Cancer Center.

- IMPORTANT: Rider check-in and packet pick-up starts at 5PM at the Richmond.Rider.Rally Pre-Ride Party on Saturday—please register in advance and pick up your packet—there is no morning-of-ride registration/check-in unless you have unusual circumstances!
- Total mileage from Richmond to Yorktown is 68 miles.
- Riders must provide their own return transportation back from Yorktown unless they selected the transportation option while registering. Limited free parking at the ride finish is available (Watermen’s Museum, 309 Water Street).
- Riders that selected the transportation option: bikes and riders will be returned to the starting point of the ride at the VCU Massey Cancer Center (Egyptian Building, 1225 E. Marshall Street).
- Route: Route 5 to Colonial Parkway. Obey the Rules of the Road and ride SINGLE FILE. A route map will be included in the rider packet.
- Pace: Recreational to Fast. This is a fun ride, but we want everyone to be present in Yorktown for the 3PM tire dipping ceremony so please keep that in mind as you plan your ride.
- SAG support is provided and SAG vehicle phone numbers will be provided on the ride map.
- The Charles City rest stop is complete with hydration and snacks. Bathroom facilities are present on the Courthouse Green. This stop is about halfway to Williamsburg at mile 29, so make sure you have two water bottles filled before you depart!
- New for 2011: We have added a rest stop in Williamsburg before we get on the Colonial Parkway.
- Don’t forget to bring: cell phone, hydration (2 full bottles), spare tubes, pump or CO2 inflator.
- Please use the on-line fundraising tools provided to help you raise funds for RideForJim. Remember, if you raise at least \$200, you receive a custom RideForJim cycling jersey!
